

PFAS
FREE™

**SAMPLE
VIAL CAPS**

Pat. No. US 12202649

**ILT'S PFAS-FREE™ SAMPLE VIAL
CAPS ARE MANUFACTURED
WITHOUT PFAS MATERIALS**

FEATURES:

Made with PFAS-free materials

Platinum silicone and PFAS-free film backed liner

Recommended for all standard GC and LC testing applications

Press-fit assembly into 9mm screw, 11mm crimp or 11mm snap cap, non and pre-slit

Bonded into 24mm screw cap with Sure Clean dust cover

ILT is proud to release a PFAS-free series of caps that are compatible with all standard glass or plastic screw, crimp, or snap top vials. ILT's PFAS-Free™ sample vial caps are manufactured without PFAS materials like PTFE. These caps are recommended for all standard GC and LC analysis.

Part #	Description
009-03-5735	9mm blue screw cap, press-fit PFAS-free film/green silicone/PFAS-free film
009-03-5734	9mm blue screw cap, press-fit PFAS-free film/green silicone/PFAS-free film, pre-slit
009-03-5719	9mm steel screw cap, press-fit PFAS-free film/green silicone/PFAS-free film
009-03-5718	9mm steel screw cap, press-fit PFAS-free film/green silicone/PFAS-free film, pre-slit
011-03-5733	11mm aluminum crimp, press-fit PFAS-free film/green silicone/PFAS-free film
011-03-5732	11mm aluminum crimp, press-fit PFAS-free film/green silicone/PFAS-free film, pre-slit
011-03-5731	11mm clear snap cap, press-fit PFAS-free film/green silicone/PFAS-free film
011-03-5730	11mm clear snap cap, press-fit PFAS-free film/green silicone/PFAS-free film, pre-slit
024-13-5729	24mm SURE-Clean™ screw cap with dust cover, bonded PFAS-free film/green silicone
